

CE DECLARATION OF CONFORMITY

Micromeritics Instrument Corporation, Inc.
One Micromeritics Drive
Norcross, Georgia 30093-1877 U.S.A.
ISO 9001:2000 Certified

VERIFICATION

Model Number: ASAP 2420 - with Vacuum Pump

Type of Equipment: Multiport Physisorption Analyzer

Standards of Conformity: EN 61326: 1997+A1: 1998+A2: 2001

CISPR 16 Radiated Emissions
CISPR 16 Conducted Emissions

EN 61000-3-2 Harmonic Current Emissions
EN 61000-3-3 Voltage Fluctuations

IEC 61000-4-2 Electronic Discharge
IEC 61000-4-3 RF Electromagnetic Field
IEC 61000-4-4 Electrical Fast Transient/Burst
IEC 61000-4-5 Surge
IEC 61000-4-6 RF Common Mode
IEC 61000-4-8 Power Frequency Magnetic Field
IEC 61000-4-11 Voltage Dips, Interruptions, and Variations

EN 61010-1 Part 1: General Safety Requirements

Micromeritics Instrument Corporation hereby declares that the instrument(s) specified above conform(s) to the Directive(s) and Standard(s), when installed and operated in accordance with the specifications set forth by Micromeritics. The original of this document is kept at Micromeritics with copies of the relevant test data and certificates, which constitute the required technical file for self declaration.
